

For end-of-the-year submission, districts are required to submit enrollment reports to OCTE each year. This information contains CTE program details, students, and enrollments for funding. How to Review and Submit Fall Collection for Fiscal Agency Authorized Officials

In the web-based Career and Technical Education Information System (CTEIS), reports may only be submitted by an authorized official of the Fiscal Agency and reviewed by a CEPD Administrator. CTEIS will inform Fiscal Agency authorized officials via email when reports at the building level are ready for review. Likewise, CEPD administrators are notified by email when a report is submitted by a Fiscal Agency authorized official. CEPD administrators must then examine all reports submitted by Fiscal Agency authorized officials and indicate that the review is complete so that the reports may be accepted and compiled by the Office of Career and Technical Education.

1. Log into CTEIS at: www.milogintp.michigan.gov with MILogin username and password.
2. Using the navigation bar, select Admin under the Fiscal Agent Monitoring collection and select Enrollment Collection Submission.
3. Choose a district from the Select District drop-down menu to display your building grid. All buildings within your Fiscal Agency as well as the report status of each building are listed.
4. You may select View Issues to view all data errors within a building. You can select Return if you would like to send the report back to the Building Reporter for edits. If you are ready to submit, click the Complete button to submit the report to the CEPD Administrator. Once you have submitted the report you are unable to make edits and your submission is complete.

Buildings with an "X" in the Building Status column have been marked as complete by your building-level reporters. When the Fiscal Agency review is complete, an "X" will appear under the column labeled Fiscal Status.
